Wing Ding 33...

Are you ready for an exciting Wing Ding that's packed with GWRRA friends, vendors, Drill Teams, seminars, rider courses, entertainment and even a few surprises? I know Lori and I are!

Wing Ding is a Members' Convention, run by the Members for the benefit of the Members. From dawn to dusk, the schedule is jam-packed, full of FUN each day. Participation is your key to having FUN!!!

Daily we will be having our World Famous Trade Show at the Knoxville Convention Center, and demo rides at the Chilhowee Park. The financial support these vendors provide through their participation gives GWRRA the means to provide this world class event. Many vendors go that extra mile for you and become Diamond, Platinum, Gold, Silver, or Bronze level sponsors. They provide those great prizes you all like to win. Be sure to show them your appreciation and support by purchasing your add-ons and accessories while you're at Wing Ding.

On Tuesday evening, at 6:00 pm July 5th, for the Early Birds, we have the "Lions, Tigers & Wings... Oh My!" Welcome Party, hosted by our great friends at American Honda and the Knoxville Tourism & Sports Corporation. This will be held at the Knoxville Zoo next to Chilhowee Park.

On July 7th, don't miss the Thursday evening BBQ Buffet followed by J&M Evening Entertainment. John Lazzeroni, President of J&M, will raffle off thousands of dollars in motorcycle audio products all benefiting a local Knoxville charity.

Polish your ride and join the Grand Parade on Friday evening, July 8th. The parade will leave the West Town Mall at 5:30 pm and run through the great city of Knoxville. The parade will conclude at Chilhowee Park, where we have several Drill Teams performing for your pleasure. This will be followed by the Blues Brothers Tribute Show at the Chilhowee Park Amphitheater at 8:30 pm.

There are many volunteer Members who put on this Members' Convention, and I would like to take a moment to send out a special thank you to Ed & Mary Ann Grazier, Region N Directors; Ken & Julie Zahn, Tennessee District Directors; Darrell Dunn & Julie Lang, TN-A2 Chapter Directors; Tom & Kathy Peck, TN-B Chapter Directors; Beth & Dale Hodge, TN-G2 Chapter Directors; Robert & Trudy Ashcraft, TN-M Chapter Directors and Gordon & Alicia Catlett, TN-T Chapter Directors for all their help and support in making this year's event possible.

And last, but not least, I'd like to thank our wonderful corps of volunteers who will give so much of themselves all week long in order to make the events FUN and effortless for everyone. When you see these folks at the Convention, be sure to let them know how much you appreciate their efforts.

We look forward to seeing everyone there!

Mike & Lori Stiger
Director of GWRRA

Rider Education Program

Quick Tips The Importance of Riding Unimpaired by Alcohol or Other Drugs

A few years ago my wife and I lost a nephew to a drunk driver. My nephew was riding his motorcycle at the time. The following tips are of particular note to us:

Theory: Alcohol and motorcycles are incompatible.

- At a Blood Alcohol Concentration of 0.01 to 0.04%, judgment begins to lessen, the drinker is less critical of their own actions, reaction time is slowed, and indications of mental relaxation may appear.
- At a BAC of 0.05 to 0.07%, judgment is not sound, thinking and reasoning powers are not clear, and the ability to perform complex skills is lessened.
- At a BAC of 0.08% or above, judgment and reasoning powers are severely hampered, and the individual cannot complete common simple tasks without error.

Proof: Statistics from recent studies by NHTSA, Florida, Kentucky, and Australia

- Having any alcohol in one's body increases the chance of crashing by 5 times.
- Having a BAC greater than 0.05 increases the risk of crashing about 40-fold.
- 46% of all motorcyclists killed in crashes were using alcohol.
- One fourth of all fatal alcohol-related motorcycle crashes involve motorcyclists running off the road, overturning, or falling from the motorcycle rather than striking another object.

Explanation: Alcohol affects your ability to "SEE"

SEE is the acronym for the MSF strategy to help motorcycle riders maintain a safety margin as well as remain ready and able to respond properly to traffic situations. SEE stands for:

- **S**earch for hazards.
- **E**valuate how the hazards might interact to create risk; prioritize multiple hazards to deal with one at a time.
- **E**xecute an action to maintain a margin of safety.

Alcohol affects these three human elements of safe motorcycle operation by impairing your vision (Search), judgment/decision making ability (Evaluate) and coordination/reaction time (Execute).

Recommendations: Plan ahead.

- Riders should never mix alcohol with riding. Even low, legal limits of BAC increase your riding risk while riding a motorcycle.
- Riders who are away from home and decide to drink should either (1) wait until their BAC has returned to zero before riding, even if it means staying overnight, or (2) leave the motorcycle in a secure location and find alternate transportation home.

Ride Safe, Have Fun!

Joe Mazza

International Assistant Director, Rider Education Program

Membership Enhancement Program

2010 GWRRA International Chapter of the Year

Mike & Lori Stiger (Director of GWRRA), Ed & Linda Johnson (Membership Enhancement Program Directors) and Bob & Karla Greer (Assistant Directors, Membership Enhancement Program, Chapter of the Year Coordinators) are pleased to announce that Florida Chapter FL1-L2, Wesley Chapel, have been selected as the 2010 GWRRA International Chapter of the Year. The Chapter was led by Chapter Directors, Rick & Madalena Buck. Congratulations to Chapter FL1-L2 for the "FUN" they had and the involvement in the Chapter of the Year Program.

We would also like to announce that New Mexico Chapter F (F-Troop), Albuquerque, NM was the First Runner Up for 2010 GWRRA International Chapter of the Year. This Chapter was lead by Chapter Directors, Jimm & Pam White. We congratulate them for being selected as the runner up and appreciate their involvement in the Chapter of the Year Program.

We would also like to congratulate all other Region and District Chapters of the Year winners.

We encourage everyone to participate in the Chapter of the Year Program during 2011. A great place to get information is to attend the Chapter of the Year Seminar and the Chapter of the Year Meet and Greet at Wing Ding 33. In addition, feel free to attend the Membership Enhancement Program Open Forum and meet the GWRRA International Membership Enhancement Program Team. The schedules for these events will be in your "Wing World Magazine".

Bob & Karla Greer
Assistant Directors, Membership Enhancement Program
Chapter of the Year Coordinators

2010 Region Chapters of the Year	
Region A (Southeast)	FL1-L2, Wesley Chapel, FL
Region B (Northeast)	PA-I, Debois, PA
Region D (Great Lakes)	IN-A2, Lebanon, IN
Region E (America's Heartland)	IA-H, Ottumwa, IA
Region F (Southwest)	NM-F, Albuquerque, NM
Region H (South Central)	OK-E, Tulsa, OK
Region J (Great Northwest)	BC-D, Surrey, British Columbia, Canada
Region K (Central Canada)	ON-Y, Southern Ontario, Canada
Region L (Canadian Atlantic)	NS-K, Nova Scotia Canada
Region N (Appalachian)	TN-O, Cleveland, TN

RETENTION

We have been hearing over the past months that Members seem to be letting their Membership expire one to five years after joining GWRRA. Here are some of the reasons that we know of:

1. No one contacted me after I received my cards from Phoenix.
2. When I visited a Chapter, no one acknowledged my existence at the Gathering.
3. Chapter Members seemed to be unfriendly with each other.
4. Chapter had too many cliques. You had to be in one or the other.
5. Members didn't seem to want to ride very much.
6. Bought a different brand of motorcycle.
7. Couldn't find a Chapter to participate with.
8. Criticism, joking from Chapter Members that went way beyond funny (for years).
9. Priorities changed such as grandchildren, unemployed or accident on motorcycle.
10. Death of a spouse.
11. Resistance to change when ideas were offered for rides, activities, etc...

Does your Chapter have any of these problems? Are you looking into why Members leave and never come back? What does your Chapter do to promote itself? Do you carry Chapter information in your motorcycle along with a GWRRA registration form and list of benefits in joining? Is your website information up to date? If you don't have a website, is your Chapter information current on your District website?

We are asking all the Chapters to assist us with finding out why Members let their Membership expire and what we can do to retain their Membership. Some Members will be nice and tell you the reason why they left if it was on good terms. Others might be a little louder about their experience and some will just not want to talk about it. We have to take the good with the bad in order to make change happen.

So let me have it straight out loud!! Get those passports out and go for a ride!!

Dan & Lynn Rasmussen
Region E Membership Enhancement Coordinators

Membership Enhancement Program

These couples will be in the International Couple of the Year Selection at Wing Ding 33. The International Couple of the Year Selection will be held Tuesday, July 5, 2011. Come and support your Region Couples in the International Couple of the Year Selection.

Region H

Steve & Faye Alexander

Glad You Asked!

Q. What is the MOU that Chapter Directors sign and what is its purpose?

A. The MOU (Memorandum of Understanding) is an agreement between two parties in the form of a legal document. All Operations Officers sign an MOU including the Director of GWRRA, Region Directors and Assistants, District Directors and Assistants and Chapter Directors and Assistants. It contains several elements which GWRRA Officers are responsible for.

It includes discussion of the Officers probationary period, requirement to select a Treasurer and to wear the 10" patch, financial responsibilities of their office, and protection of GWRRA copyrighted materials. It also includes expectations to be familiar with GWRRA Member Benefits and to support and encourage others to support the various programs. Other items include: be a current Member, guard the privacy of Member information, timely sharing of information, and adherence to the Officer Handbook. But, wait there's more! An Officer is expected to assist their Appointing Officer, to strive to meet all requirements of the office, and in the case of a Chapter Director, arrange for a Monthly Gathering place and to provide appropriate programs and activities, as referred to in the Officer's Handbook and Fun Activity Guide (essentially to establish a FUN environment with emphasis on Fun related activities). A Chapter Director must also provide monthly newsletters to GWRRA Members free of charge. The MOU also requires the Officer to employ the TEAM approach, train his/her replacement, set a good example, demonstrate a positive attitude, and turn over all monies and property to his/her successor.

Finally, Rider Education, Treasurers and Membership Enhancement Officers are required to sign the same MOU, with the exception of 4 specific sections that do not apply to them (appointing a Treasurer, financial responsibilities, newsletters and Gathering place responsibilities).

Most of the responsibilities are really not difficult! The MOU does set a standard for the GWRRA Officer that is the foundation of making this Association one that promotes Friends for Fun, Safety, and Knowledge.

John Simonick
Region F Trainer

Glad You Asked!

Q. I have heard Treasurers are not Officers in GWRRA, and now I am hearing that they are. What's the deal here?

A. Treasurers, through 2010, were not considered GWRRA Officers. As of January 1, 2011, Treasurers along with other positions are now considered GWRRA Officers at every level in GWRRA

The following positions are Officers within the GWRRA: Membership Enhancement Coordinators, Treasurers and Leadership Trainers. Of course, Directors, Assistant Directors, and Rider Educators have been and remain GWRRA Officers.

To continue to elaborate on the topic of GWRRA Officers, there are new rockers available soon that are placed over the 4" Officer patch. They will say either "Region Team", "District Team", or "Chapter Team." The lower rocker is to designate "Director", "Treasurer", "Educator", "Membership Enhancement" or "Trainer" (note: Trainers exist at the International, Region and District levels only).

The additional Officers were added in conjunction with the Core Team concept. It is appropriate that the entire Core Team (Director, Assistant(s), Treasurer, MEC, Educators, and for Regions & Districts, Trainer) are all recognized for the responsibility they share for their respective Team.

Remember...TEAM - Together Everyone Achieves More!

John Simonick
Region F Trainer

Wing Ding 33 Seminars

This year there will be more seminars than in Des Moines, due to the availability of more rooms for presenting the finest in training available anywhere. There will be training in Rider Education, Membership Enhancement, Leadership Training and several product type seminars. The Product seminars will be presented by the Wing Ding vendors; all other seminars by the great Instructors we have in GWRRA. These Instructors spend a lot of time preparing for these, so show your support by attending as many as possible and you will most likely learn something while you're at it.

For all of you certified or who plan to be certified Instructors, please plan on attending the "Meet the LTP Director" on July 7th at 10:00 AM in room 301A. I would very much like to meet and talk with each of you. Also, plan on attending the Leadership Training open forum on July 8th in room in 301A. In the open forum, we will be explaining all of the changes and our plans for the future of Leadership Training. We have some very exciting things going on in the program and we want every one of you to be a part of it. We will also be taking a role in getting these new projects launched. Ed & Mike both need your help and input to get the best for the MEMBERS.

See you all in Knoxville!

Statement of Release

We have released the **Officers Certification Program** as an online version, which we will be offering as a choice for the member to take.

Although we are offering it online, when available we recommend for Members to attend a live presentation. The online version has no interaction with others whereby a lot of good information becomes available to them. It is approximately 7-8 hours in length for all 15 modules, including the Knowledge exercises.

A member wishing to participate in the online Officers Certification Program must contact their respective District Trainer or Region Trainer to receive the sign-on information and also a study guide to assist you while taking the online version of OCP.

Once you sign on go to the section saying Modules, click on it and get started with the program. You may start and stop whenever you feel comfortable. When you resume the program it will automatically start where you left off. At the end of each module you will be instructed to "Go to the Quiz". You must answer the questions before proceeding to the next module.

If you have a Dial-Up ISP then you may opt for doing it on a DVD. The same rules apply as for the on-line version.

You will have 30 days from the time you start till the time you must have it completed, for whichever version you decide to go with.

Sincerely,

Paul Brosher
International Director, Leadership Training Program

Wing Ding 33 - Schedule of Events

Tuesday, July 5, 2011

12:00 - 5:00pm	Registration open	KCC - Clinch Concourse
